Bulletin 15

WELCOME

Welcome to the latest Terrace Boating Bulletin

As NSW faces the latest set of COVID restrictions we all need to stick together and support one another.

Being outside, on the open water and enjoying nature is one of the best spots to be!

Take care out there, and for all your boating needs, stop by and see us at Terrace Boating!

Yamaha Outboards

Designed to handle the harshest marine environments and operating conditions, Yamaha outboards have proven to stand the test of time. With an unmatched reputation for reliability, durability and performance.

This is why Australian boaters choose Yamaha Outboards.

Whale Season

More than 30,000 whales make their way along a route that hugs the NSW coast - known as the Humpback Highway - from May to November each year. Humpback and southern right whales are the most commonly sighted, but you may also spot orcas, blue whales, minke whales and sperm whales. In Port Stephens, Fisherman's Bay and Boat Harbour are the best places for whale watching.
